

Action Plan Template

Where do I want to be by the end of this period/year? **Cyber Security Analyst**

What do I want to be doing? (Include as many learning needs as required to achieve agreed objectives). **Recap of the previous Module. Practice coding and preparation against the next module**

What do I want/need to learn? Provide a specific description of the desired changes (e.g. skills to gain, knowledge to acquire, topics/themes/content to cover)	What do I have to do to achieve this? Some examples, a new/ongoing course, conference, self-development (like wider research or reading), coaching/mentoring, job shadowing	What resources or support will I need? Some examples, teaching staff support, library support, student advisor support, line manager, etc.	How will I measure success? Some examples, appraisals, course assessments, team feedback, tutor feedback	Target dates for review and completion Note that these need to be realistic/achievable
Digital forensics Cyber Law, Coding in Python	Prepare against the next module on Digital forensics and practice more on the coding module in codio	Module resources to be released ahead of module to enable me catch up	Develop on the feedback, areas that need improvement	Jan 2023
